

# Moscow Power Engineering Institute (Technical University)

## 3rd International Scientific and Practical Workshop

*ASHES FROM TPPs – REMOVAL, TRANSPORT,  
PROCESSING, LANDFILLING*

**April 22-23, 2010**

Moscow, Russia

## **FIRST CALL FOR PAPERS (DRAFT)**

**Organized by**

Informational and Analytical Center "Ecology in Power Engineering" of MPEI  
(Affiliated member of the European Coal Combustion Products Association «ECOBA»)

**Financial support**

## **Organizing Committee of the workshop**

**Chairman**— Putilov V.Y., director of IACEE MPEI (Russia)

**Deputy Chairman of the Organizing Committee in Russia**— Prokhorov V.B. (MPEI, Russia)

**Deputy Chairman of the Organizing Committee on international relations**— Putilova I.V. (MPEI, Russia)

### **Committee members**

**Agarwal V.K.** (Indian Institute of Technology, Delhi, India)

**Eremin K.V.** (Omega Minerals Group, Germany)

**Feuerborn H.-J.** (European Coal Combustion Products Association, Essen, ECOBA)

**Hower J.** (University of Kentucky, USA)

**Kapustin F.L.** (USTU-UPI, Yekaterinburg, Russia)

**Lewandowski W.** (STI, Needham, USA)

**Orlov A.V.** (JSC «VTI», Moscow, Russia)

**Shevtsov V.R.** (Siberian Energy Association)

**Stankowski S.** (Agriculture University in Szczecin, Poland)

**Szczygielski T.** (Polish CCP Union, Warsaw, Poland)

**Scientific secretary of the Organizing Committee** — **Malikova E.A.** (IACEE MPEI, Russia)

### **Organizational issues:**

**Malikova E.A.** (MPEI, Russia)

**Uchevatov A.V.** (MPEI, Russia)

### **Registration of the workshop participants**

#### **April 21, 2010, Wednesday**

**9.30 — 18.00;** Krasnokazarmennaya str., 14, building “ZH”, room ZH-107

#### **April 22, 2010, Thursday**

**8.30 — 9.20;** Krasnokazarmennaya str., 14, building “ZH”, room ZH-107

### **Workshop activities**

#### **April 22, 2010, Thursday**

**9.30 — 10.00 — opening ceremony**

**10.00 — 17.00 — plenary sessions**

**17.00 — 18.00 — discussion**

#### **April 23, 2010, Friday**

**9.00 — 16.00 — plenary sessions**

**16.00 — closing ceremony**

#### **April 24, 2010, Saturday**

**Departure of the workshop participants**

**Workshop location: Moscow, Energeticheskiy passage, 3-a, House of Culture of the MPEI**

**Travel:**

underground station “Aviamotornaya”, then one stop on foot or by tram 24, 37or 50; trolleybus 24 to the stop MPEI;

underground station “Krasnye vorota”, trolleybus 24 to the stop MPEI.

**Organizing Committee:**

phone/fax: +7 (495) 362-7912,

e-mail: [PutilovVY@mail.ru](mailto:PutilovVY@mail.ru), [PutilovVY@ecopower.ru](mailto:PutilovVY@ecopower.ru)

Location of the Organizing Committee: MPEI, room ZH-107 (entrance from the end face of the building 14 from Krasnokazarmenny passage)

**WORKSHOP TOPICS**

- influence of the international and national legislation on efficiency of solution of ash and slag problem;
- volumes and directions of utilization of ash and slag from TPPs in separate countries and international associations;
- use of ash and slag in building industry;
- use of ash and slag in agriculture;
- use of ash and slag at mining, primary and other industries;
- ash and slag properties and standardization;
- technologies of ash and slag removal and beneficiation of their properties;
- complex approach to increase in economic efficiency and ecological safety of TPPs and solution of ash and slag handling issues.
